- 4-18 through 4-25: Spring Break
- **There is no school the Monday after Easter**
- 5-4: Conference Day (No School)

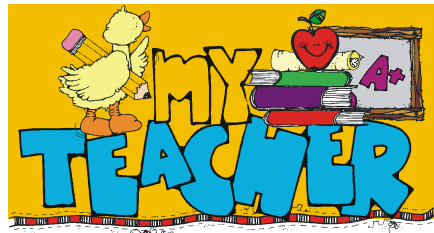

Poems and Songs

Honeybee

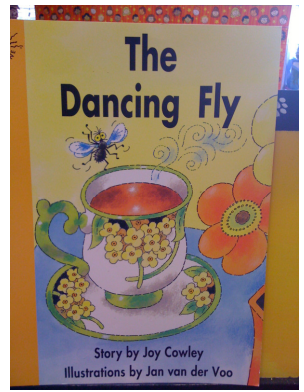

Honeybee, honeybee where do you fly?
 I fly to find nectar to take to the hive.
 Honeybee, honeybee what will you do?
 I'll make some sweet honey
 for me and for you.

Hi Parents!

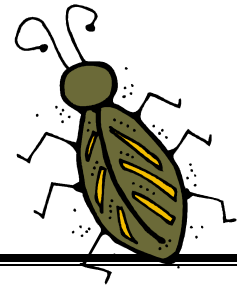

This week we will continue learning about insects; how they grow, their benefits and the different characteristics of each bug. I hope that all parents will be able to attend the bug show. This is our final performance of the year! The show will begin at 11:30 in the Lake Front Room. A picnic lunch will follow, so be sure to bring a lunch for you and your child. You may take your child home following the program. Have a wonderful week. ☺ Mrs. Greening

Book of the Week

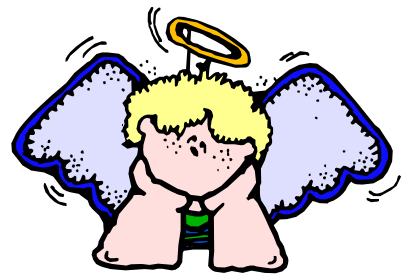

Things you can do at home:

- Find 3 things that have a /X/ sound for your alpha bag. For example, a fox or a box could be brought in.

Fruit of the Spirit for April and May:

Goodness and Trustworthiness
