My Dog's Bigger Than Your Dog

My dog's bigger than your dog,
My dog's bigger than yours.
My dog's bigger
And his name is Clifford.
My dog's bigger than yours.

My dog's redder than your dog, etc ...

Hi Parents!

I hope everyone had a fun and relaxing Labor Day weekend!

This week we will continue with our pet unit. We will read many Clifford the Big Red Dog stories, discuss rhyming words, and word boundaries. We will learn the color word red by singing the R-E-D song. In math we will use pattern blocks to make a cat. We will discuss the names and attributes of each shape. Friday will be a very fun day. We will make Clifford chow and eat like puppy dogs! Fun!

Next Monday is our field trip to the fire station. Parents are asked to meet us at 9:45 in the back of Lower School. The cars that will be driving to the fire station may park in the left lane behind lower school beginning at 9:30. Ms. Plate and I will bring the children out at 9:45 and load them into cars. If you are not driving to the fire station and are carpooling, please park in a visitor space located in front of the school. After visiting the fire station, we will have a picnic lunch here at school, so be sure to pack a lunch for yourself. We will try to sit on the picnic tables on the west side of the cafeteria. Because this is our first field trip, the children will be very excited. I encourage you to set a good example for your child and listen to our speakers. This will show the children that it is important to listen to the firemen/women and to be on our best behavior. Thank you for your help!

Have a great 4 day week! Mrs. Greening
